SPECIFICATION
Thinner 646
QUALITY CERTIFICATE No. 0701/2021

Lot: 0701/2021
Data of manufacture: 07.01.2021.
Characteristics of the product

No.	Properties	Value	Trial result
1	Appearance and color	Colorless	Congruence transparent liquid without non-soluble impurities
2	Mass content of water, %	<0.70	0.23
3	Ethylether vaporization	5-15	9
4	Acidity mg KOH/1g	0.07	0.05
5	Density at 20C, g/cm3	0.83-0,87	0.85

Tip: Store the product at a temperature between -25 °C and +25 °C in dry place and do not expose it to direct sunlight.

Origin - EU.
Packing - bulk in tank-trucks or in buyer's: iso-tanks, 1000Lit IBC containers or in 216,5Lit drums.
